4.	MW encouraged staff to have a look at the list of sub-committees and volunteer (via Pam) to be involved with one. Each sub com will then focus on one part of action plan. Events Suggested ideas for events/research day include: Equality in Business, Leaders in Business. Supporting colleagues (Personalities) – self worth and ability to speak out. Mentoring/promotion opportunities. It was mentioned that the Uni was hosting an E/D event in September, it might be possible to have some involvement, this can be discussed at next meeting. Create a forum where people can come and feel free to discuss E&D within the School. Equality and Diversity day or event would be welcome with particular concern raised about diversity in Line Management within the Disciplines in the Business School. MM keen to look at how we encourage more diverse group of individuals to become line mangers. We could have something to highlight opportunities for staff. Think about this a little more with a view to having something Aug/Sept. It was agreed that events would be discussed at the next meeting with Janine present.	Events to be on agenda at next meeting (PC) with JC present.
