Make a mini book
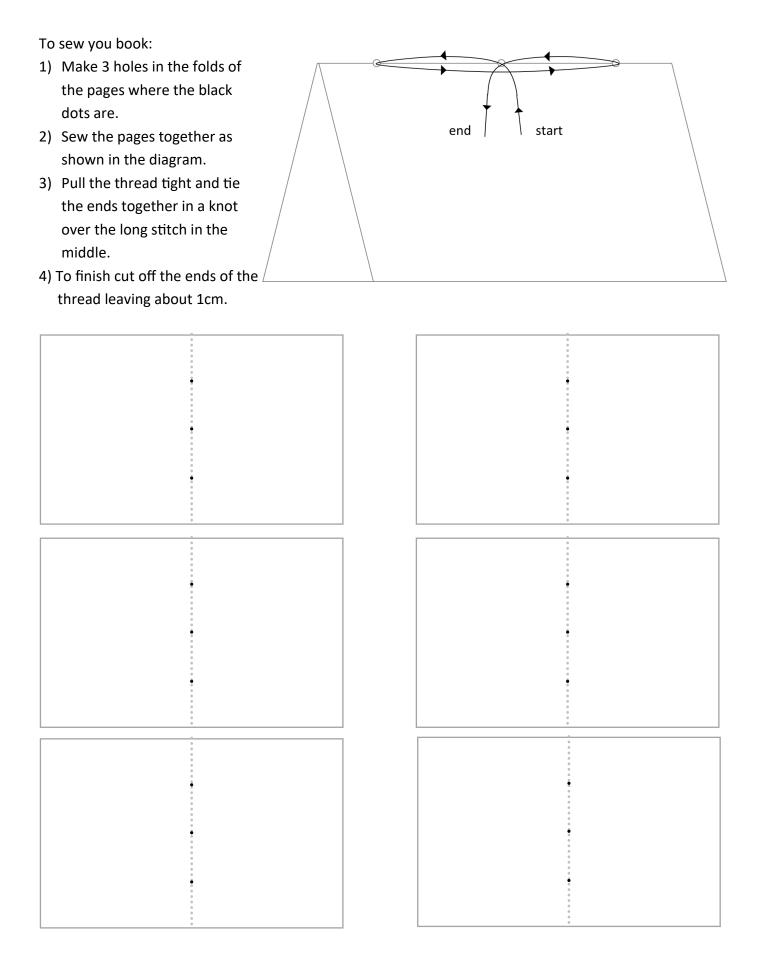

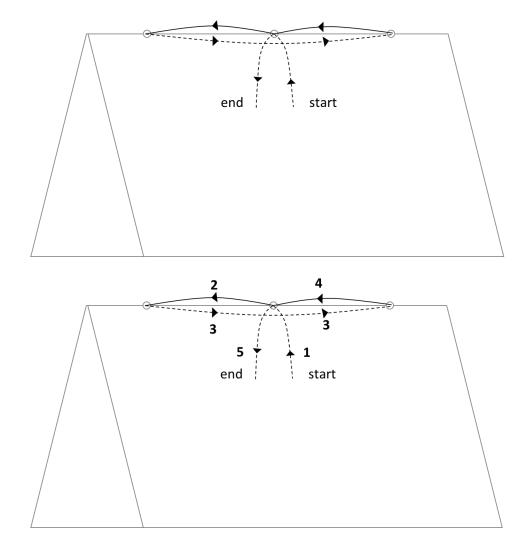

1. Cut out the pages printed below and fold them in half along the dotted line.
2. Sew or staple the pages together.

To sew you book:

1) Make 3 holes in the folds of the pages where the black dots are.
2) Sew the pages together as shown in the diagram.
3) Pull the thread tight and tie the ends together in a knot over the long stitch in the middle.
4) To finish cut off the ends of the thread leaving about 1cm.
