

Fostering a Social Practice Approach to Adult Literacies for Improving People's Quality of Life in Western Rwanda

Celebration of the international literacy day and launch of national literacy month was take place at Rugerero integrated development programme (IDP) model village in Rubavu District. In this celebration, our project Fostering a social practice approach to adult literacies for improving peoples' quality of life in western Rwanda (TTC GACUBA II, RUBAVU District) was invited .

We had the opportunity to explain to all participants of the event how our project works in teaching adult people to read , read, count not to forget other literacies needed in the their daily life in western Province of Rwanda , Rubavu District where we have 103 centers for adult literacies and we have stand for exhibition.

Among the guests present:

1. SOMA RWANDA
2. Mayer Rubavu District
3. University of Rwanda (UR)
4. Rwanda education Board (REB)
5. Rwanda cultural heritage academy (RCHA)
6. USAID
7. Minister of education

Key message : "Promoting literacy for all to enhance foundational learning". After key note address and launch national literacy month , Guest Honor thanks all participants in this event and promised them continuous cooperation.
