

NIHR Project Overview and Programme Theory

Pamela Abbott FAcSS

January 2024

Project: Critical Realist Control Trial of Mindfulness Intervention

- Quasi-experimental Cluster Difference-in-Difference Control Trial – Baseline, Mid-Term and End-of-Line – Quantitative - Does the Intervention Work?
- Process Evaluation – Quantitative - Structural Equation Modeling, Qualitative Research - How does the Intervention work – Testing a Programme Theory (Hypothesis)
- Economic Costing
- Funded by NIHR from UK Aid

Project Stages

- Stage 1 – August 2022 - July 2024
- Stage 2 – August 2023 – August 2025
- Stage 3 – September 2025 – July 2026
- Cross-cutting: Training and Capacity Building, Community Engagement and Involvement, Policy Advocacy, Dissemination

Stage 1

- Recruitment of PDRs, PhD Students & Other RAs
- Ethics Approval
- Appointment of International Advisory Board
- Political Economy Analysis - Ethiopia & Rwanda
- Critical Realist Literature Reviews
- Development of Intervention and Training to Teach Mindfulness – Diploma for Mindfulness Champions)
- Appointment of Community Reference Groups and Local Advisory Groups

Stage 2

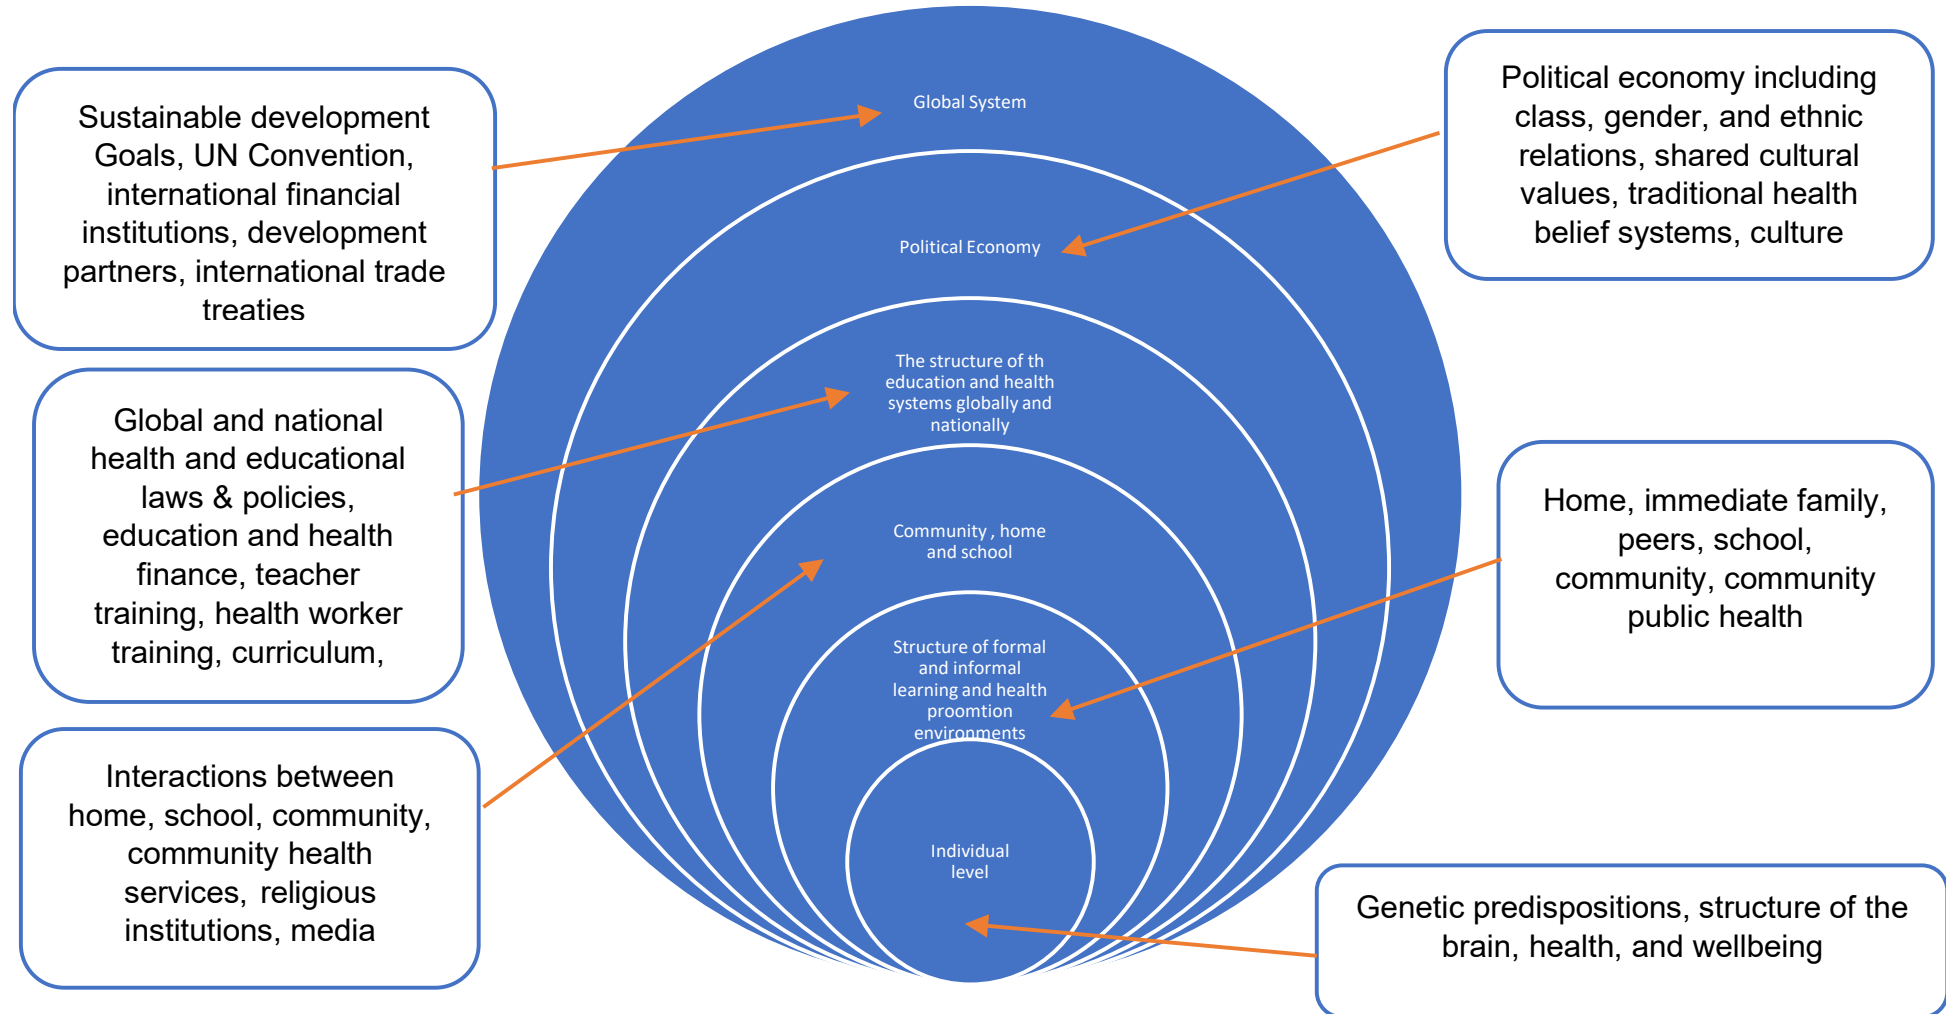

- Development of Tools (Qualitative and Quantitative) (January 2024)
- Ethics Approval Ethiopia and Rwanda – February 2024)
- Training of Teachers in Mindfulness in Feasibility Schools (March-April 2024)
- Feasibility Studies in Rwanda and Ethiopia (April- June 2024) (Tools in Schools and Mindfulness Intervention)
- Modification of Mindfulness Intervention (July 2024)
- Training for Baseline and Process Evaluation including Modification of Research Tools etc. (July- August 2024)
- Training of Teachers in Intervention Schools in Mindfulness (August-September 2024)
- Support Teachers in Feasibility and Intervention Schools in Delivering Mindfulness Intervention
- Base-Line Community Survey and Qualitative Research (Qualitative Research Only in Intervention) and Baseline in Intervention and Control Schools (August - September 2024)
- Qualitative Process Evaluation in Intervention Schools (October 2024 – June 2025)
- Researching Fidelity of Mindfulness Intervention in Intervention and Control Schools (PhD Project Rwanda) (October 2024 – February 2025)
- Mid-Term Quantitative Research in Intervention and Control Schools
- End-of-Line Survey and Quantitative Research in Intervention and Control Schools (June-August 2025)

Stage 3

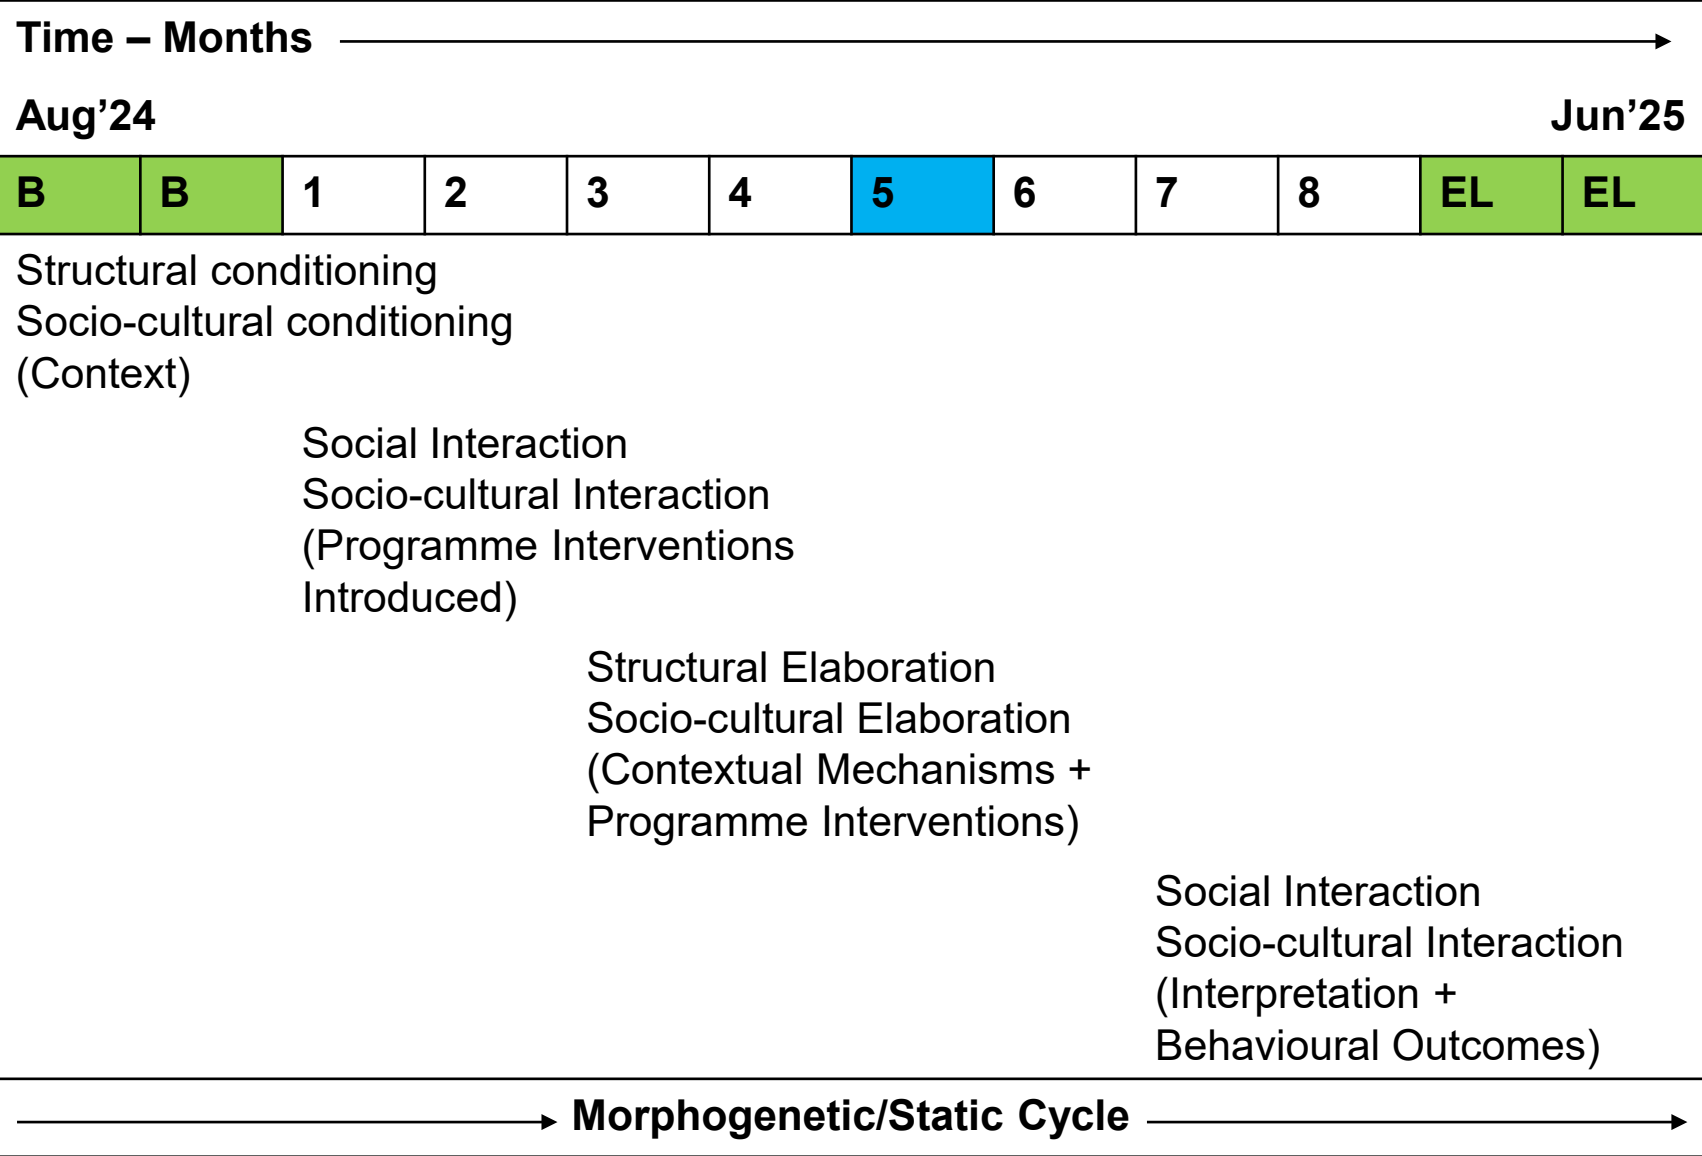

- Training of Teachers in Control Schools in Mindfulness (August – September 2025)
 - Support to Teachers in Control Schools (and feasibility and intervention schools) (September 2025 – August 2026)
 - Preparation of Data Sets for Open Access Archiving (September 2025 – November 2025). UKData Service (Other?)
 - Writing Retreat (November 2025)
 - Dissemination (Peer Review Journal Articles, Blogs, Policy Briefs, Conference Presentations, PhD Dissertations etc.) (August 2025-July 2026)
 - Project Report NIHR (June – July 2026)
- End of Project Workshops? (July 2026)

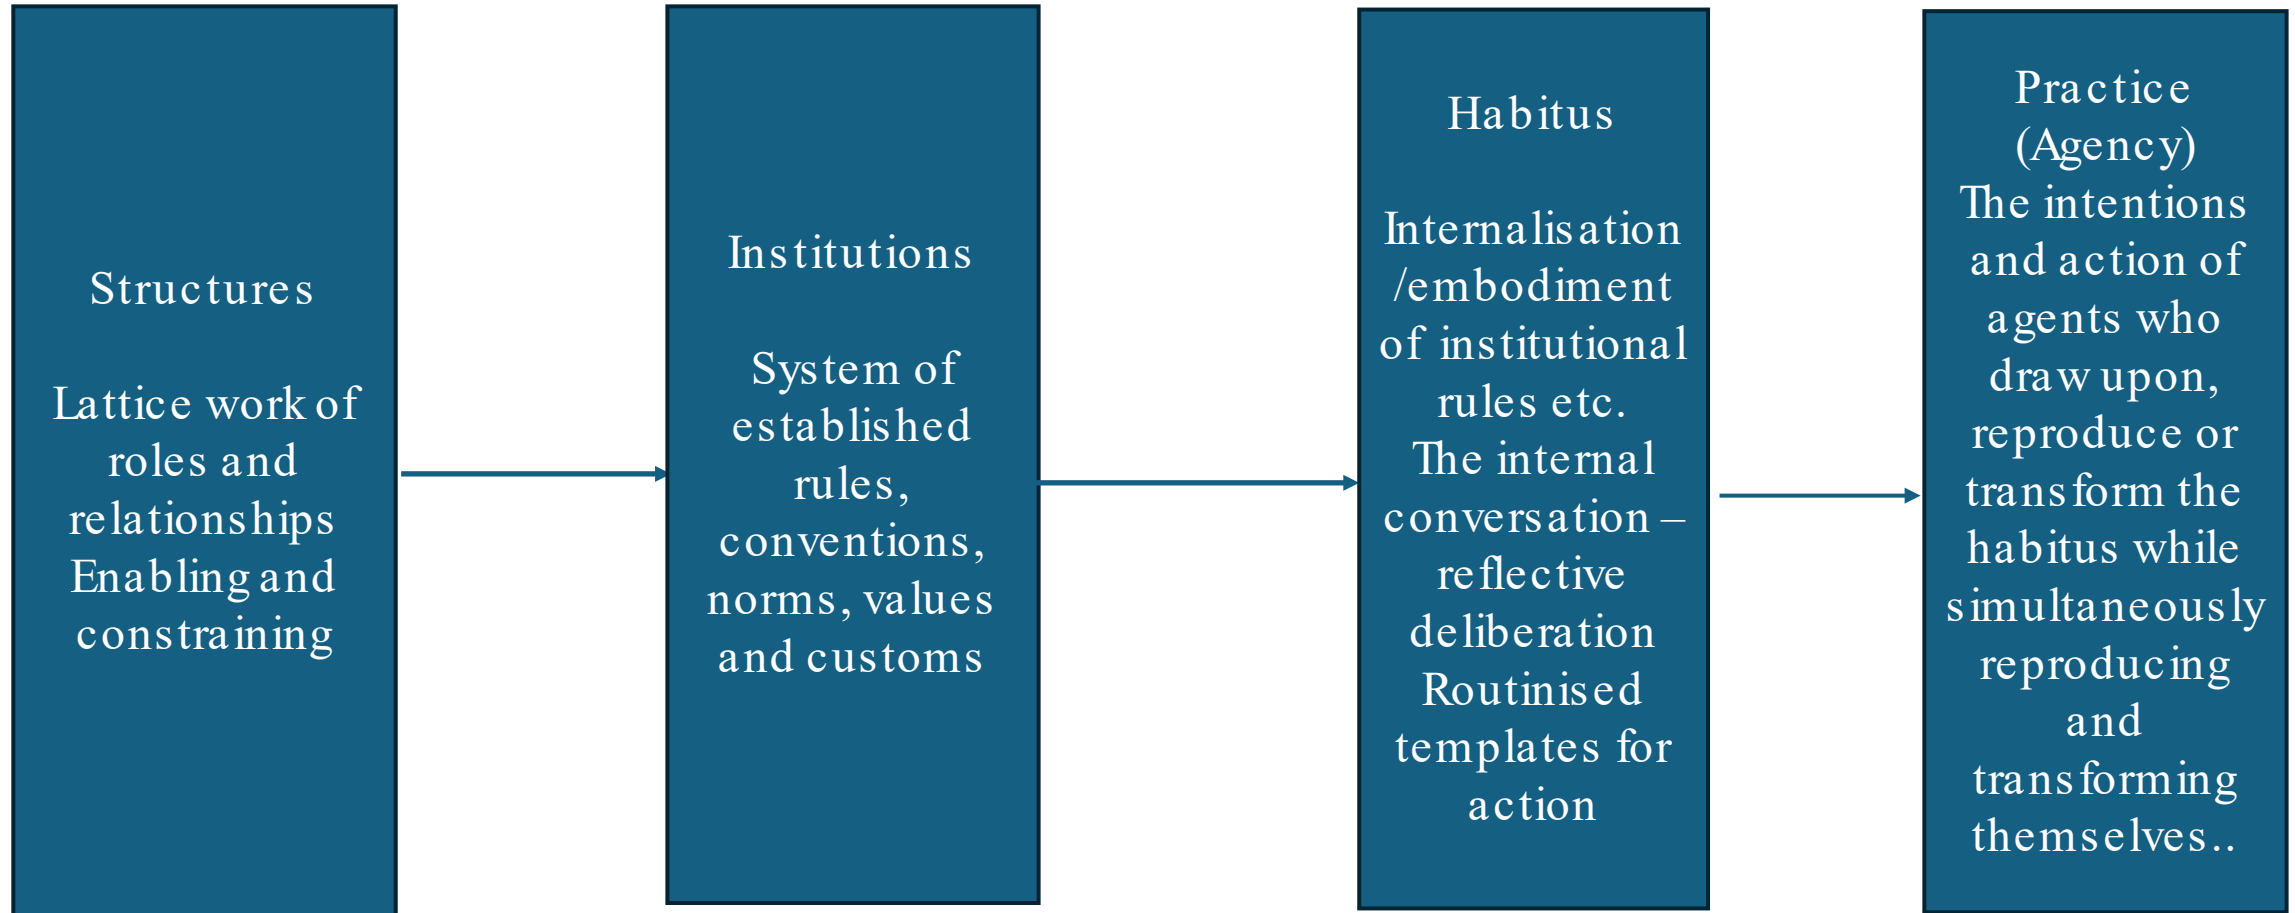

Programme Theory

Figure 1: A Laminated CA Learning and Wellbeing System

Adapted from: Tikly L. What works, for whom, and in what circumstances? Towards a critical realist understanding of learning in international and comparative education [Internet]. International Journal of Educational Development. 2015 40:237–49.

Based on: Fleetwood

Schools **Intervention** → **Mechanisms Triggered by Agency/Assets Developed** → **Outcome**

Internal Factors

- School Size
- Teacher/Pupil Ratio
- Funding
- Leadership
- Rules and Regulations
- School Environment
- Teaching Practices
- Teacher/Pupil Relations
- Peer/Peer Relations

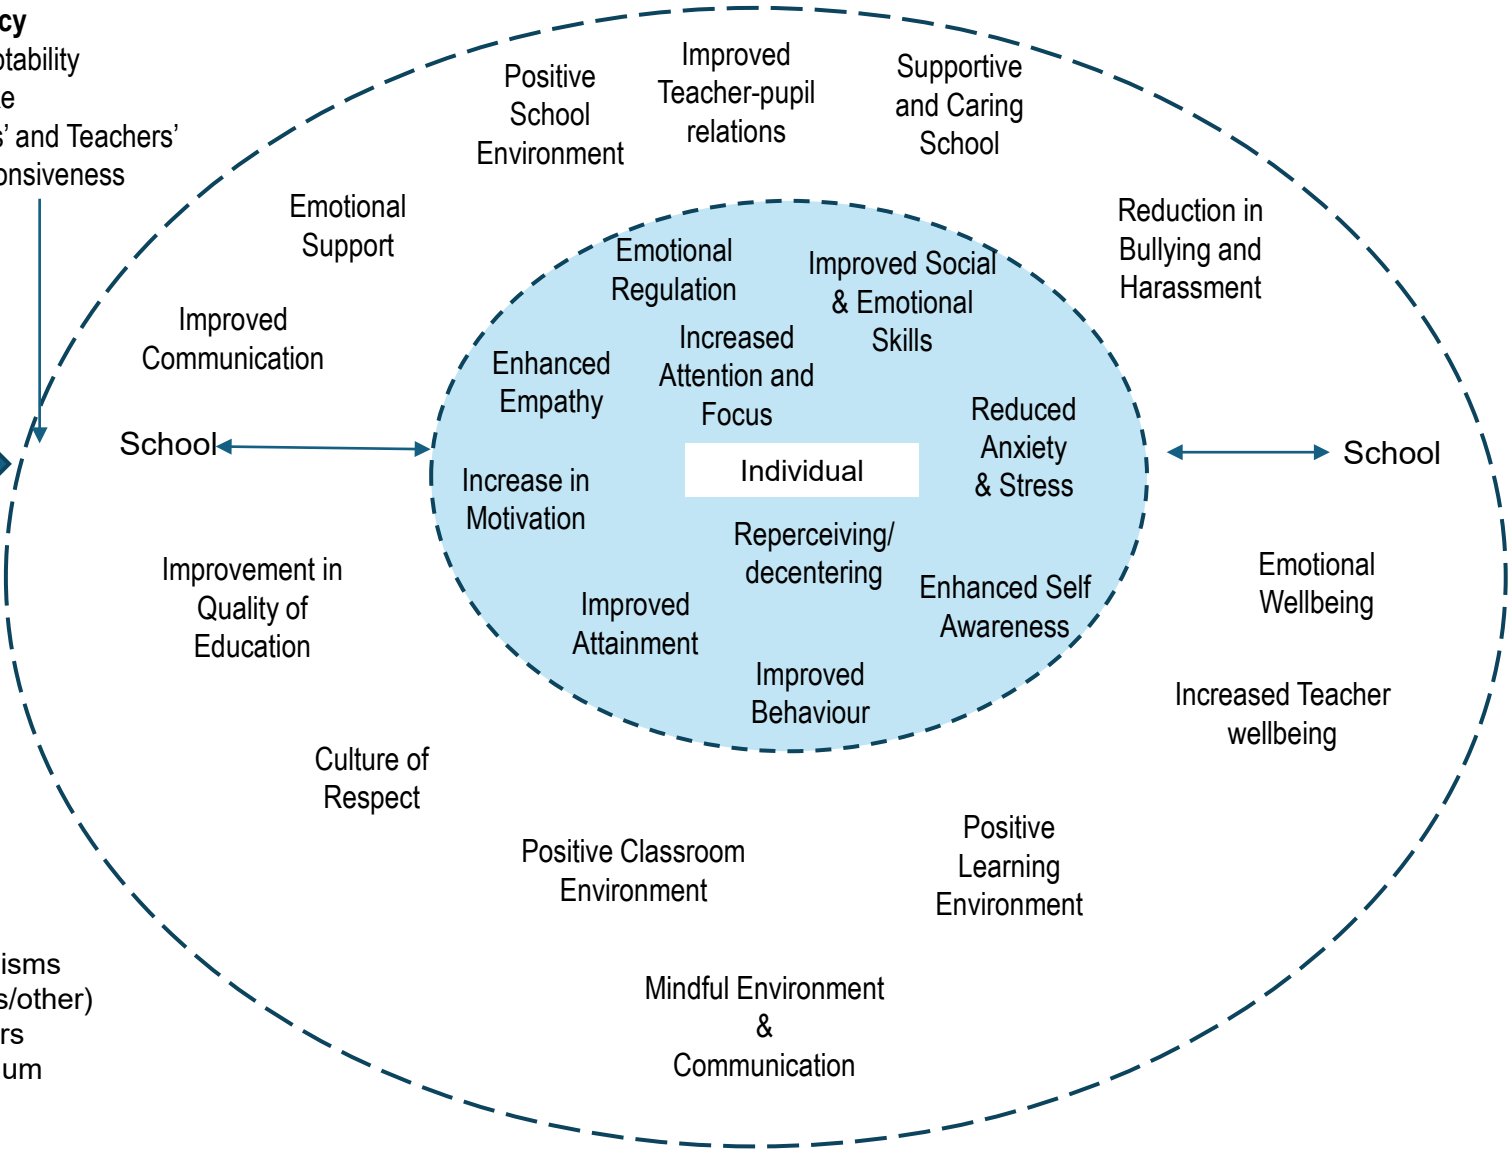

External Factors

- Family Relations
- Local Community Relations
- Peer/Peer Relations
- Cultural Values
- Education Policy
- Education Funding
- Health Funding
- Health Service

Agency
 Acceptability
 Uptake
 Pupils' and Teachers' Responsiveness

Mindfulness Curriculum

Intervention Mechanisms Facilitators (teachers/other)
 Training of Facilitators
 Mindfulness Curriculum
 Fidelity
 Amount/Dose
 Quality
 Reach

Improved Mental Wellbeing of Pupils
