

# ORCID

## WHAT IS IT?

ORCID is a persistent digital identifier that distinguishes you from every other researcher. No more confusion with people who have your same name or name changes!

## WHY HAVE IT?

ORCID stores automatic links to all your research, and links all your research with you. You control the visibility of each piece of data and how to share and connect with peers.

## HOW TO USE IT?

Use your ORCID in systems and platforms from grant applications to manuscript submission and beyond, to ensure you get credit for your contributions.

## LESS ADMIN

You can allow trusted organizations to add your research information to your ORCID record, releasing you from admin burden.

## HOW DO I GET IT?

Getting an ORCID is free! you only have to register at [www.orcid.org](http://www.orcid.org).
