## Jon S. Baird Making Movies

In Conversation with  
Prof. Alan Marcus

In this special edition of the Director's Cut series at the University's May Festival, Jon will discuss breaking into the film industry and how growing up in Aberdeenshire contributed to the stories he developed into feature films, including *Filth* (2013) and *Cass* (2008). Jon Baird will also discuss working with Academy Award-winners Danny Boyle on *Babylon* (2014) and Martin Scorsese on *Vinyl* (2015).
