Gordon Cameron

In conversation
with Alan Marcus

As part of the University's new May Festival, we are delighted to present a special Director's Cut featuring Gordon Cameron. Gordon will discuss his input into four of Pixar's Academy Award-winning films, *Finding Nemo* (2003), *Ratatouille* (2007), *Toy Story 3* (2010) and *Brave* (2012). A native of Banff and graduate of the University of Aberdeen, Gordon has had an impressive career within the film industry that has resulted in his involvement in cutting edge developments in the field of animation.
