

Appendix 1: NSC Research Associates (August 2001)

Name	title	PhD stud.?	affiliation	email	research theme
Albon, Steve	Prof		CEH	s.albon@ceh.ac.uk	Reindeer and caribou population dynamics and parasitology
Alexander, Ian	Prof		Plant & Soil Science	i.alexander@abdn.ac.uk	Mycorrhizal ecology, plant nutrient relations in northern ecosystems
Anderson, David	Dr		Sociology & Anthropology	soc131@abdn.ac.uk	Environment and identity in Siberia (Evenki) and northern Canada, post-Soviet transformations in the Russian Arctic
Bayfield, Neil	Dr		CEH	NB@ceh.ac.uk	Ecological change monitoring in arctic/alpine/montane environments
Britton, Andrea	Dr		MLURI	a.britton@mluri.sari.ac.uk	Montane vegetation, and anthropogenic influences.
Brooker, Rob	Dr		CEH	ROBB@ceh.ac.uk	Vegetation processes in montane and arctic ecosystems
Crabtree, Lora	Ms	yes	Plant & Soil Science	l.crabtree@abdn.ac.uk	Competition for nitrogen in montane and arctic heaths
Dormann, Carsten	Mr	yes	CEH & Plant & Soil Science	cfid@ceh.ac.uk	Vegetation processes, environmental change and herbivory in the high Arctic
Edwards, Kevin J.	Prof		Geography & Environment	kevin.edwards@abdn.ac.uk	Palaeoecology and environmental archaeology in Scotland and the North Atlantic region
Ferrier, Bob	Dr		MLURI	r.ferrier@mluri.sari.ac.uk	Acidification, Biogeochemical environmental modelling
Gibbins, Chris	Dr		Geography & Environment	c.gibbins@abdn.ac.uk	Stream ecological communities in upland areas; salmonids; Scotland
Gornall, Jemma	Ms	yes (from Dec 01)	Plant & Soil Science & CEH		Ecological role of bryophytes in polar heath
Green, Fraser	Mr	yes	Geography & Environment	f.m.green@abdn.ac.uk	Palaeoecology; environmental archaeology; Scotland
Habeck, Otto	Mr	RA	Sociology & Anthropology	jeoh2@cam.ac.uk	Perceptions of, and responses to, environmental degradation among Komi and Nenets people in the Russian Arctic

cont./

Helliwell, Rachael	Ms		MLURI	r.helliwell@mluri.sari.ac.uk	Acidification, Biogeochemical environmental modelling
Hester, Alison	Dr		MLURI	a.hester@mluri.sari.ac.uk	Plant-herbivore interactions, especially woodlands and heathlands
Hulme, Phil	Dr		CEH	pehu@ceh.ac.uk	Arctic treeline ecology.
Iason, Glenn	Dr		MLURI	g.iason@mluri.sari.ac.uk	Ecology, especially plant-herbivore interactions
Ingold, Tim	Prof		Sociology & Anthropology	tim.ingold@abdn.ac.uk	Perceptions of the environment among Saami and Finnish people in Lapland; relations between farming, forestry and reindeer herding.
Irvine, Justin		yes	CEH	JI@ceh.ac.uk	Parasitology of reindeer on Spitsbergen
Jessen Williamson, Karla	Ms	yes	Sociology & Anthropology	soc127@abdn.ac.uk	Effects of Home Rule in Greenland on women's power, prestige and status. Currently Executive Director of the Arctic Institute of N. America, Univ. of Calgary.
Killham, Ken	Prof		Plant & Soil Science	k.killham@abdn.ac.uk	Biosensors & bioremediation
Legat, Allice	Ms	yes (from Oct 01)	Department of Sociology & Anthropology	alegat@theedge.ca	Knowledge and oral tradition among the Dogrib Dene of northwestern Canada
Lienhoop, Nele	Ms	yes	Agriculture & Forestry	n.lienhoop@abdn.ac.uk	Contingency evaluation of proposed hydroelectric scheme in Iceland
Littlewood, Nick	Mr	yes (from Oct 01)	Plant & Soil Science & MLURI	t02nal@abdn.ac.uk	Restoration of Scottish moorland
Malcolm, Rob	Dr		Geography & Environment	r.malcolm@abdn.ac.uk	Hydrological and hydrochemical processes in river catchments; coastal geomorphology; modelling; Scotland
McMullen, Andrew	Dr		Geography & Environment	j.a.mcmullen@abdn.ac.uk	Palaeoecology; peat bog studies; Scotland
Munro, Gillian	Dr		Arkleton Centre	gillian.munro@abdn.ac.uk	State and community, quality of life, and differential economic performance in the Scottish Highlands and Islands
Nuttall, Mark	Prof		Sociology & Anthropology	soc086@abdn.ac.uk	Sustainable uses of living marine resources, self-determination and indigenous rights, environmentalism, in Arctic and North Atlantic societies

cont./

Pakeman, Robin	Dr		MLURI	r.pakeman@mluri.sari.ac.uk	Plant ecology and modelling. Seedbanks and seed dispersal. Bracken, grassland and machair communities.
Paton, Graeme	Dr		Plant & Soil Science	g.i.paton@abdn.ac.uk	Biosensors & bioremediation, volcanic soils of Iceland
Pearce, Imogen		yes	CEH	ISKP@ceh.ac.uk	Nitrogen deposition effects on montane heath
Ramsay, Alison	Ms	yes	Sociology & Anthropology	soc137@abdn.ac.uk	Crisis and change in a Shetland fishing community
Rao, Shaila	Ms	yes	MLURI	s.rao@mluri.sari.ac.uk	Conservation ecology. Herbivores and woodlands.
Rodgers, Paul	Mr	yes	Geography & Environment, & MLURI	p.rodgers@abdn.ac.uk	Integrating tracer and modelling studies in stream catchment hydrology.
Shannon, Kerrie-Ann	Ms	yes	Sociology & Anthropology	soc107@abdn.ac.uk	Women's perceptions of the environment in an Inuit community, Nunavut
Soulsby, Chris	Prof		Geography & Environment	c.soulsby@abdn.ac.uk	Hydrology, biogeochemistry and management of river and wetland systems: Scotland
Stien, Audun	Dr		CEH	AUS@ceh.ac.uk	Population ecology of reindeer, in particular host-parasite interactions
Van der Wal, Rene	Dr		CEH	RVDW@ceh.ac.uk	Plant-herbivore interactions in montane and arctic vegetation
Wachowich, Nancy	Dr		Sociology & Anthropology	wachowic@interchange.ubc.ca	Ethnohistory and oral traditions in the Canadian Arctic and Subarctic
Waterhouse, Clare		yes	Geography & Environment, & MLURI	C.Waterhouse@shannon.mluri.sari.ac.uk	Land use change over short and long timescales; Palaeoecology; Scotland
Woodin, Sarah	Dr		Plant & Soil Science	s.woodin@abdn.ac.uk	Effects of human activities, including environmental change, on ecology of montane and arctic vegetation
