

**PROGRESSION AND AWARD IN POSTGRADUATE TAUGHT AWARDS For
students entering their PGT programme from January 2018 onwards
Grade Point Average**

(I) PROGRESSION

Examiners will have the right not to permit a candidate to progress any further through a taught postgraduate programme if that candidate has failed a single course or more, and exhausted all opportunities for reassessment on that course. Failure on a single course will normally mean that the candidate will not be able to meet the requirements for the award that they registered for. Candidates will not be permitted to take an alternative course in order to achieve credits not gained by failure on other courses. In such situations, the candidate will be withdrawn from study and awarded an alternative qualification, if eligible.

Reassessment must be taken at the next available opportunity. Examiners may decide to withdraw any student from study who does not submit themselves for reassessment in a course at the next available opportunity without good cause of medical circumstances.
