Pure: Making your profile public

If your profile does not appear on the <u>Public Research Portal</u> or if your publications do not display on your page in the <u>staff directory</u> follow the steps below to update Pure.

Your profile and publications on the Public Research Portal

The <u>public research portal</u> displays your work and your profile to the wider academic community and to the public visiting our webpages. To make sure that your profile is visible, Log into Pure and follow a few quick steps:

- Access your personal overview in Pure at https://pure.abdn.ac.uk/admin/workspace/personal/overview/
- 2. Click on Edit Profile:
 - Edit profile
- 3. An editing window will pop up, scroll to the bottom of the window to the section marked visibility

4. Use the drop down box to change the change the visibility to "Public – No restriction"

5. Save the changes to your record, using the save button at the bottom of the window.

- 6. Check that your profile is now visible on the Public research portal by clicking My public profile on the personal overview screen
 - My public profile

Your publications on Staff pages

The <u>Staff directory</u> is connected to Pure through a lookup script, the script harvests information on your publications, postgraduate research supervision and datasets from Pure. To make sure that this content is captured and displayed on your staff page, log into your staff page and follow a few quick steps:
