

POSTGRADUATE RESEARCH PROGRAMMES TUITION FEES 2024/25

NOTES:

- Tuition fees given below are at the full-time rate. The part-time fee rate for research postgraduate programmes is 50% of the relevant full-time fee rate.
- International Research students will be charged at the rate applicable to their year of entry for the remainder of their programme (note, International Research students on programmes that are charged on a modular basis are not eligible for fixed fees).
- EU Students admitted prior to 2021/22 will pay the Home rate stated below.
- These rates apply in 2024/25 (from 1 August 2024 onwards). In line with other universities, tuition fees are subject to annual review and the University reserves the right to increase these from year to year. Students who are not on a fixed fee rate programme should budget for an increase of between 5% and 9% per annum.
- The research student fee rate for UK/RUK students is set by the Research Council (UKRI).

[All students are encouraged to read the University Refund Policy. The Refund Policy will confirm fee liability in the event a student withdraws during the academic year.](#)

We offer a range of scholarships and funding opportunities. The funding database provides information on bursaries, scholarships, PhD vacancies and external sources of funding relevant to you.
