

FULL TIME TUITION FEES 2021/22 ACADEMIC YEAR

NOTES:

- Tuition fees given below are listed at the full-time rate. Part-time fee information can be found in the Part-time Student Fees section.
- International Undergraduate students will be charged at the rate applicable to their year of entry for the remainder of their programme (note, International undergraduate students on programmes that are charged on a modular basis are not eligible for fixed fees). International undergraduate students who have withdrawn and are re-admitted after an interruption of more than one academic year will be charged at the advertised tuition fee rate set for the year of re-admission.
- International students (excluding Medicine) admitted between 2014/15 to 2019/20 are eligible for an International Undergraduate Scholarship. Students must have completed 3 continuous years of study before being eligible for the scholarship in the 4th year. Further information is available here www.abdn.ac.uk/study/international/international-undergraduate-scholarship-972.php. This scholarship is no longer available to students admitted from 2020/21 onwards.
- EU Students admitted prior to 2021/22 will pay the Home rate of £1820
- In line with other universities, tuition fees are subject to annual review and the University reserves the right to routinely increase these from year to year. Students undertaking modular courses should budget for an increase of between 5% and 9% per annum.
- [All students are encouraged to read the University Refund Policy. The Refund Policy will outline fee liability in the event a student withdraws during the academic year.](#)
