

## **The University of Aberdeen Articulation Pathway Policy Entry in Academic Year 2025/2026**

The University of Aberdeen has a long-standing commitment to widening access to higher education. A key part of this commitment is the University's Articulation Pathway Policy.

The university has made a commitment to encourage students from the widest possible range of backgrounds to participate in university studies. Not all students have the same opportunities at school or feel ready for university study straight from school so we have built a portfolio of articulation pathways which allow students to study for a 120 credit, Higher National Certificate (HNC) or 240 credit, Higher National Diploma (HND) and articulate into the University with advanced entry. The information below refers to students sitting SQA Higher National Certificate and Diploma qualifications, for all other qualifications please contact [ugadmissions@abdn.ac.uk](mailto:ugadmissions@abdn.ac.uk)

### **1. Pathway Creation**

The Scottish Qualification Framework (SCQF) is a way of quantifying the level a programme of study is taught at. Both HNC and 1<sup>st</sup> Year at University are taught at SCQF Level 7 and both HND and 2<sup>nd</sup> year at University are taught at SCQF Level 8. Therefore, the University has mapped the academic content of the most common HNC/HND courses to our degree programmes and, where there is sufficient overlap, a pathway has been created which gives students advanced entry to our degree programmes.

We are advocates for student choice so even if a pathway exists students may still enter a lower year of study by selecting this on their UCAS form or contacting us during the UCAS cycle at [ugadmissions@abdn.ac.uk](mailto:ugadmissions@abdn.ac.uk)

### **2. Next Gen HNC/HND Programmes**

The University welcomes the Next Generation of HNC/HND programmes but recognises that these programmes are still in the pilot phase and therefore content and assessment may still be subject to change. Therefore, we encourage students sitting Next Gen qualifications to contact us directly for more information about pathways at [accessaberdeen@abdn.ac.uk](mailto:accessaberdeen@abdn.ac.uk)

### **3. Policy Documents**

Information relating to all the University's Admissions Policies can be found at the following webpage: [www.abdn.ac.uk/study/undergraduate/admissions-policy](http://www.abdn.ac.uk/study/undergraduate/admissions-policy)

### **4. More information**

For more information about Widening Access at the University of Aberdeen, please contact the [Access and Articulation Team](#).

### **5. Pathways**

The following pages detail the pathways which we currently offer, if the HNC/D you are studying is not listed we encourage you to contact us at [accessabaerdeen@abdn.ac.uk](mailto:accessabaerdeen@abdn.ac.uk) to discuss your situation further.
