

UNIVERSITÀ DI CAMERINO

W I D E N Y O U R H O R I Z O N S

**SINCE 1336
IN THE GREEN HEART OF ITALY**

UNIVERSITY of CAMERINO

5 UNIVERSITY SCHOOLS AND 4 CAMPUSES

School of Architecture and Design

in Ascoli Piceno

School of Biosciences and Veterinary

Medicine in Camerino and Matelica

School of Law in Camerino

School of Pharmacy in Camerino

School of Science and Technology

in Camerino and Ascoli Piceno

Seven centuries after its foundation, the University of Camerino (UNICAM) remains still young in spirit, **and continues to make major contributions to the economic, social and cultural life of the town and its region.**

UNICAM offers a setting of higher education, with structures on a human scale.

There is a great sense of respect for the different ideas, backgrounds and cultures, and you as student, researcher or teacher offer a key contribution in creating a truly international atmosphere.

Students from more than 40 countries make the University of Camerino a little big International World: this is UNICAM!

Camerino

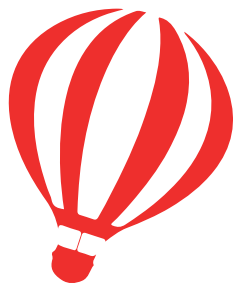

Location: 670 m.

Winters can be chilly and snowy with temperature between +10°C/-5° C.

During the other seasons temperature is between +35°C/10° C.

Camerino is just a few miles from the Sibylline Mountains National Park and close to other places of great natural beauty and environmental interest.

and Veterinary
Medicine

ASCOLI PICENO

School of Architecture
and Design

SAN BENEDETTO DEL TRONTO

School of Biosciences
and Veterinary
Medicine

and beyond ... UNICAM 3 campuses

Matelica

Matelica, located 17km from Camerino, is a town of 10,000 inhabitants that has hosted the Faculty of Veterinary Medicine since its inception, now called the School of Biosciences and Veterinary Medicine.

It is the only such School in the Marche Region.

Ascoli Piceno

Located 100km from Camerino, Ascoli Piceno welcomes you with Piazza del Popolo, its famous square. With 60,000 inhabitants, the city is rich in history with beautiful surrounding landscapes that make for superb excursions into nature. Here since its inception, the Faculty of Architecture is found, now called the School of Architecture and Design. The Campus is also home for the Bachelor Degree course in Innovation Technologies for Cultural Heritage.

San Benedetto del Tronto

By the sea...
For many years, UNICAM has had a campus in this town, one of the main destinations of Marche tourism, with its very long beach and wonderful promenade enriched with 7000 palm trees. The Campus is home to the bachelor degree course in Biology of Nutrition.

FACTS AND FIGURES

- 1336 Foundation Date as Studium Generale
- Over 8,000 students
- 4 campuses
- 5 University Schools
- 10% the percentage of International students
- excellent professor/students ratio (1 professor for 25 students)
- First university in Italy to introduce quality control procedures
- First in the ranking of Italian universities with 10,000 students
- 18 Spin off

AND MORE...

- School of Advanced Studies (Doctoral programmes)
- Carlo Urbani School of Advanced Studies (Undergraduate programmes)

SPECIALIZATION SCHOOLS

provide knowledge and know-how for practice in specific professions.

The length of study is at least two years or more.

BACHELOR DEGREE, THREE YEARS - 180 credits

- **Ambiente e gestione sostenibile delle risorse naturali**
- **Biologia della nutrizione** - San Benedetto del Tronto
- **Biosciences and Biotechnology** in English
- **Chimica**
- **Disegno industriale e ambientale** - Ascoli Piceno
- **Fisica**
- **Informatica**
- **Informatica per la comunicazione digitale**
- **Informazione scientifica sul farmaco e scienze del fitness e dei prodotti della salute**
- **Matematica e applicazioni**
- **Scienze dell'Architettura** - Ascoli Piceno
- **Scienze gastronomiche**
- **Scienze geologiche e tecnologie per l'ambiente**
- **Scienze giuridiche per l'innovazione organizzativa e la coesione sociale**
- **Tecnico del benessere animale e delle produzioni** - Matelica
- **Tecnologie innovative per i Beni culturali** - Ascoli Piceno

POST-GRADUATE MASTERS

of 1 year length are post-Bachelor or post-Master degrees which provide professional knowledge and know-how.

They are open to practicing professionals in need of further qualifications.

MASTER DEGREE, TWO YEARS - 120 credits

- **Architettura** - Ascoli Piceno
- **Biological Sciences** in English
- **Chemistry and advanced chemical methodologies** in English
- **Computer Science** in English
- **Design per l'innovazione digitale** - Ascoli Piceno
- **Geoenvironmental Resources and Risks** in English
- **Gestione dei fenomeni migratori e delle politiche di integrazione nell'Unione Europea**
- **Mathematics and Applications** in English
- **Physics** in English

One-tier Master Degree - 5 years , 300 credits

- **Chimica e tecnologia farmaceutiche**
- **Farmacia**
- **Giurisprudenza**
- **Medicina Veterinaria** Matelica

DOCTORAL COURSES - 3 years

AREAS

Doctoral courses are available in the following areas of scientific research, organized into different curricula as listed below:

Architecture, Design, Planning:

- Architecture. Theories and Design
- Innovation Design
- Sustainable Urban Planning

Chemical and Pharmaceutical Sciences and Biotechnology:

- Chemical Sciences
- Pharmaceutical, Nutraceutical and Food Sciences

Computer Science and Mathematics:

- Computer Science and Mathematics

Legal and Social Sciences:

- Civil Law and Constitutional Legality
- Fundamental Rights in the Global Society

Life and Health Sciences:

- Molecular Biology and cellular Biotechnology
- One health (integrated approach to Health focused on interactions between animals, humans and the environment)
- Nutrition, Food and Health

Physics, Earth and Materials Sciences:

- Physics
- Physical and chemical processes in Earth systems
- Materials Sciences

SUMMER SCHOOLS

Addressed to university students, young graduates and professionals, Summer Schools are intensive high quality courses of short duration - one or two weeks . Summer Schools offers a great opportunity to meet and work with teachers, experts and students from different countries .

ABOUT ECTS CREDITS

The University of Camerino applies ECTS (=European Credit Transfer and Accumulation System) in all its degree programmes. All study programmes are measured in terms of ECTS credits. A full-time one-year study programme amounts to 60 credits (30 credits per semester). One credit stands for 25 ours of work including contact hours, preparatory work, study and assessment.

UNICAM: A little big international world

Mobility Programs offer to the students the opportunity to spend a short or long - term exchange period of study, research and training in partner country institutions as universities, academies, Research Centers or highly qualified professional studios

ERASMUS+ for study and Traineeship

ERASMUS+ KA107

Partner Countries Project

Double Degrees

Cooperation Bilateral Agreements

EXCELLENCE IN RESEARCH

Since 2005 UNICAM has adopted the European Charter of Researchers and a Code of Conduct for an open, transparent and merit-based recruitment of researchers in the framework of European Resources Strategy for Researchers (HRS4R).

UNICAM researchers have been honoured with International Prizes in the fields of Organometallic Chemistry, Petroleum Geology, Pharmacology, Physics

FRONTLINE RESEARCH

The research lines range over a wide variety of subjects from complex systems, to energy, biotechnologies, design , public health, natural drugs, quality and food safety.

Erasmus+

STUDENT RESIDENCES AND SCHOLARSHIPS

UNICAM in collaboration with ERDIS (Regional Agency for Entitlement to Higher Education) offers lodging in comfortable student residences.

Two canteens and a cafeteria. In preparing menus, the different needs of students from diverse foreign countries are taken into account.

ERDIS SCHOLARSHIPS are awarded on the basis of merit and family economic situation.

The scholarship offers facilities such as a university tuition fee waiver, free food and lodging at the university residences (1 October - 31 July)

The CALL FOR APPLICATION is announced mid-July.

Information at www.erdis.it

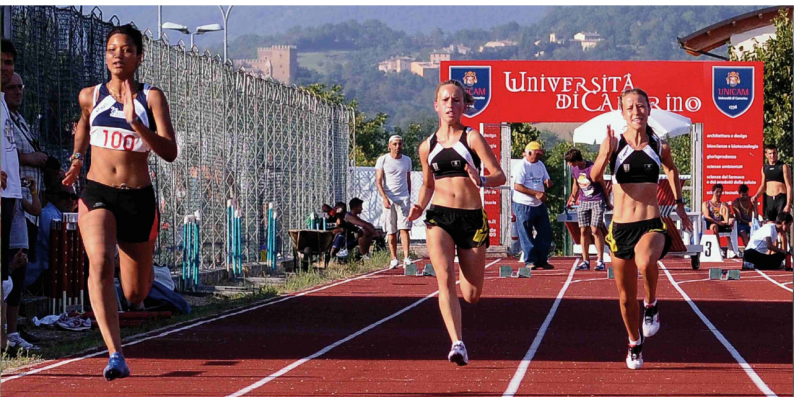

MENS SANA IN CORPORE SANO

A very well equipped Sports Centre is available to all students interested in sports!

From Athletics to Climbing, from Squash to Volleyball. No excuses for laziness!

Since a healthy body means a vigorous mind, UNICAM awards scholarships focused on student athletes!
