UNIVERSITY OF  
ABERDEEN

Discover  
Swedish

# Swedish

Whatever your level, you can boost your employability, advance your language skills, and enhance your cultural understanding by learning with native Swedish speakers and experts.

Build the confidence to speak and understand Swedish while adding a unique twist to your CV. Work with Swedish colleagues and companies in your field, from creative industries to STEM, life sciences, sustainable living and more!

## STUDY ROUTES

### ◦ Sustained Studies

You can study a language the first two years of your degree as a beginner

## KEY FACTS

- Swedish is spoken in Sweden and parts of Finland but is also understood in Norway and Denmark.
- Sweden is consistently ranked among the most innovative countries of the world.
- Around 1,200 Swedish companies have an office in the UK.
- Home to the Nobel Prize, Ikea, Volvo, Spotify, Scandi Noir, oat milk, Greta Thunberg and seven Eurovision winners.
- Discover traces from the Vikings in the English language.
- Interactive teaching using various strategies, music, rhymes and cultural elements within a supportive environment.
