## DEGREE OF BACHELOR OF SCIENCE IN BIOCHEMISTRY (04C70070)

## DESIGNATED DEGREE OF BACHELOR OF SCIENCE IN BIOCHEMISTRY (04C70089)

Students must also comply with the University General Regulations and the Supplementary Regulations for the Degree of Bachelor of Science

## All the courses listed below are prescribed for this degree

| PROGRAMME YEAR 1 – 120 Credit Points |   |                  |                |                                   |                  |
|--------------------------------------|---|------------------|----------------|-----------------------------------|------------------|
| Term 1 Term 2                        |   |                  |                |                                   |                  |
| Course<br>Code                       | Course Title                                  | Credit<br>Points | Course<br>Code | Course Title                      | Credit<br>Points |

|    | Notes  |
|----|--|
| 1. | Honours programme may only be taken by full-time study.  |
| 2. | For Honours students the examinations for courses taken in the Final Honours Year will be held at the end of the session.  |
| 3. | Honours candidates are required to take both a two hour general examination (SM 4901) and a three hour problem solving examination (SM 4902) at the end of the Final Honours Year. |
| 4. | Designated Programme: See Supplementary Regulation 1.  |

(i) A minimum curriculum must include MB 3006 and BC 3503. This grouping satisfies the requirements of BSc Supplementary Regulation 1.
