

**DEGREE OF BACHELOR OF SCIENCE IN MEDICAL SCIENCES (MEDICAL HUMANITIES)  
(10B90925)**

Students must also comply with the University General Regulations and the Supplementary Regulations for the Degree of Bachelor of Science in Medical Science

**The table below lists the prescribed courses for this degree together with the overall number of credit points required in each programme year.**

PROGRAMME YEAR 1 – 120 Credit Points					
Term 1			Term 2		
Course Code	Course Title	Credit Points	Course Code	Course Title	Credit Points
60 credit points chosen from suitable courses in Arts and Social Sciences, (see Note 3) as agreed with the medical humanities intercalated degree programme co-ordinator.			ME 44M2	Medical Humanities Dissertation	30
			30 credit points from suitable courses in the College of Arts and Social Sciences(see Note 3)		

Notes	
1.	Candidates must have completed 360 credit points of the MBChB degree before entering the programme.
2.	The dissertation will be in one of the subjects covered in the taught courses taken, and must be in a medical/health-related topic approved by the medical humanities intercalated degree programme co-ordinator.
3.	Suitable courses mean those with medical / health-related content, but one of the three taught courses may be of a more general, theoretical, or methodological nature. Candidates will not be able to choose courses where there is a large degree of overlap with a course already completed for the Medical Humanities SSC. In addition, at the discretion of the Medical Humanities Intercalated Degree Programme Co-ordinator, it may be possible for students to take one suitable taught course outwith Arts and Social Sciences.
