	MSc: 63H1CSB1	MSc: 63H1DLB1
	PgDip: 63H1CSVX	PgDip: 63H1DLVX
	PgCert: 63H1CSVZ	PgCert: 63H1DLVZ

There will be no new admissions to the On-campus version from September 2016 onwards.

Duration: Attendance shall be on a part-time basis, and shall comprise, for each stage of the programme, a series of full-day lectures delivered every third weekend during term-time, held at the University. The total study time for the complete programme shall be not less than three academic years and not more than five academic years.

The course can also be studied by distance learning. Delivery is entirely by the internet, from the University's website. The course mirrors the part-time campus course using the same course content, submitting the same assessments and sitting the same exams. There is no requirement to attend the University when studying by online.

Content: The aims of the programme are to provide education and training at postgraduate level for students employed in a wide range of industrial sectors who are involved in project management, and to improve the work performance of the students by increasing their knowledge and understanding of the many topics that make up project management.

Candidates shall be required to attend the following designated programme of courses:-

Year 1

- EG5048 Project Management Essentials 1 (15 credit points)
- EG5049 Organisations and People (15 credit points)
- EG5548 Project Planning and Control (15 credit points)

Year 3

- EG5052 Managing Project Teams (15 credit points)
- EG50P5 Portfolio Project Management (15 credit points)
- EG5554 Individual Project in Project Management (30 credit points)

Students undertaking the campus based programme in 2017/18 will register for between 15 and 90 credits from the following:

- EG5054 Quality Systems and Risk Management (15 credit points)
- EG5073 Commercial and Contractual Issues (15 credit points)
- EG5042 Managing Project Teams (15 credit points)
- EG50P4 Portfolio Project Management (15 credit points)
- EG5554 Individual Project in Project Management (30 credit points) (online)

Assessment: By a combination of written examination and course work, as prescribed for each course. In addition, MSc candidates must submit a dissertation on their individual project, and may be required to undergo an oral examination. The degree of MSc shall not be awarded to a candidate who fails to achieve a CGS Grade of D3 or above in the individual project, irrespective of their performance in other courses.

The Certificate and the Diploma shall be awarded to those candidates who achieve the prescribed standard in the relevant courses for these awards but who fail to satisfy the requirements of progression to, or who elect not to proceed to, the Diploma or MSc programme, respectively.
