Notes		
i	In years 4-5 the clinical blocks are taught on a rotational basis; therefore, some students will do a particular block in the first half-session while others will do it in the second.	
iv	ME 5012 is a code to identify the final clinical assessment in Year 5 which students must complete.	
v	ME 5013 is an additional clinical block only for students who are retaking final year and have already gained a pass in the Medical Elective.
