Arrival and Orientation

Recommended arrival dates:

Students should arrive a day or two before Orientation if housing has already been pre-arranged. We recommend that students who have not secured any housing arrive at least two weeks before classes start.

Orientation week

Commences the week prior to semester commencement:

Semester 1, 2025: **Monday 17 February**

Semester 2 2025: **Monday 14 July**

Cost of Orientation program

Not applicable, but optional excursions will incur a small fee.

Accommodation

On campus accommodation

Accommodation is available to new commencing students at one of the on campus residential colleges in [College Row](#), or at one of the three [Perth city](#) student housing options.

As with many cities around the world, the housing market in Perth is now extremely tight. UWA's accommodation options fill up quickly. Applying for housing *as early as possible* is strongly advised.

College accommodation application process

Students can log onto the [UWA Residential College Application Portal](#) and apply to all of College Row in one place. Students rank their college preferences from 1-5 and the portal will automatically send their application to the colleges (starting with their first preference). Students should apply for accommodation as early as possible. There is a fee for the housing application.

Off-campus

UWA also has a limited range of [off-campus accommodation](#) nearby.

Further information about all UWA Perth student accommodation options is [Concierge page](#)

Student Visa Information

Students need to ensure they study on a lawful visa, that gives them the rights to lawfully study in Australia for the duration of that visa duration.

Most students will apply for a Student Visa (subclass 500, non-award sector). Once students return the signed acceptance contract with applicable payment, UWA will issue a Confirmation of Enrolment (CoE) document which will allow students to apply for their Student Visa. Students should research all visa options and apply through the [Department of Home Affairs](#) website.

Students on a Student Visa are eligible to work for up to 48 hours per fortnight during semester and unlimited hours during University holidays.

Overseas Student Health Cover (OSHC)

Overseas Student Health Cover ([OSHC](#)) is an Australian Student Visa requirement. Further information is available at the [Department of Home Affairs](#).

UWA can arrange OSHC for students through [Medibank](#). Alternatively, students can purchase their own through one of the Australian Government [approved providers](#). Students must provide evidence of this when submitting their acceptance documents.

Most students from Sweden, Norway and Belgium do not have to purchase OSHC. New Zealand and Australian citizens who are eligible for Medicare do not require OSHC.

Students are not able to apply for an insurance waiver if they have their own insurance coverage

UWA Albany Campus

Students can enhance their university experience by spending a semester enjoying the fantastic cultural and social activities in Albany. A five hour drive from Perth and situated in the picturesque Great Southern region of Western Australia, our [Albany campus](#) offers unique learning and research opportunities. Why not consider one

semester in Perth, and one semester in Albany? Keeping in mind the distance of 420kms between the two, it is not possible to take units from both campuses within the same semester, students need to live and study in either Perth (Crawley campus) or Albany.

Student services

Exchange and Study Abroad students can access all the same [services](#) and supports as full-degree students, such as:

- [UniAccess](#): helps students with physical or mental health conditions, issues or disabilities
- [Study Smarter](#): free academic skills programs to improve writing, English, maths, research, time management, plus expert advice.
- [UniMentor](#): meet a current UWA student to help navigate uni life.
- [UWA Allies](#): informed support for LGBTQIA+ students.
- The [School of Indigenous Studies](#) (SIS) provides a support and resource centre for Indigenous, Torres Strait Islander and all First Nations students.
- [UWA Guild](#): providing academic, welfare and financial support.

Estimated costs

Cost of living

Please see the full list of [estimated costs](#).

Fees other than tuition (e.g. student services)

There is a compulsory Student Services and Amenities Fee ([SSAF](#))*

*Exchange students are exempt from paying the SSAF but the fee is applicable to Study Abroad students and must be paid during the semester. Failure to pay fees will encumber the student and it will not be possible to release their transcript at the end of the program.

Transcripts

[Transcripts](#) will be sent to the student's *personal email address* at the completion of the exchange period (either August or January). It is the student's responsibility to share their transcript to their home University. Information about the My eEquals secure transcript repository can be found [here](#).
