

POLICY EVALUATION (JANUARY START) (MSc/PgDip/PgCert)

57L40JB1

Duration: 12 months full-time or 24 months part-time (MSc); 9 months full-time or 18 months part-time (PgDip); 4 months full time or 8 months part time (PgCert).

Aims:

With the increasing recognition of the need for empirical, evidence-based policy impact assessment, social research methods are in high demand. This MSc builds on the extensive methodological expertise of the School of Social Science and will equip graduates to provide programme monitoring and evaluation for government and third sector organisations. The programme will provide advanced skills in research design, qualitative and quantitative methods and analysis. For the thesis component, students will have the option of a placement doing a real evaluation project with local government, non-profit organisation, or within the University itself.
